

How to Lease an Apartment in These Unusual Times Your A&G Management Update

Governor Hogan has mandated that there be strict compliance to keep our neighbors, friends and families healthy. To abide by his requests A&G's leasing offices **are open by APPOINTMENT ONLY**. Our apartment specials and competitive pricing will continue as usual.

We ARE up and running remotely, collaborating with each community, leasing manager and supervisor every day.

To visit any A&G apartment you can do so REMOTELY, on a VIRTUAL or SELF-GUIDED TOUR by **CALLING** the leasing manager of that community **for an appointment**. Since public contact is greatly limited, **PLEASE CALL the LEASING OFFICE FOR INSTRUCTION FIRST**- she or he will tell you how easy this is to do and how to proceed. Unfortunately, walk-ins are not accepted during this time. Just call or email us instead!

Caring for each other and showing kindness is even more important now as elements of our lives are so rapidly changing day by day because of the Coronavirus (COVID-19).

Now and always the safety and well-being of our community residents, future residents and employees is A&G Management's primary concern.

We will be providing regular community updates, so stay tuned. Keep washing your hands, practice social distancing and stay well.
